BOARD OF TAX APPEALS
HEARING RESCHEDULED

Dear DAVID THOMAS:

The Board of Tax Appeals, on its own motion, hereby reschedules the merit hearing previously scheduled on Wednesday, August 14, 2024 to Monday, August 26, 2024 at 9:00 AM.

Please be advised that multiple appeals are scheduled for the same time. The time for presentation will be limited. Parties must bring copies of any materials that they intend to discuss at hearing. The board will be unable to accommodate parties by making copies. The failure of an appellant to appear at a scheduled hearing without advance written notice may result in the dismissal of the appeal. In an effort to achieve a timelier resolution of appeals, in most instances, post hearing briefs will not be assigned. However, parties may file pre-hearing statements setting forth their respective positions, said statements to be filed at least seven days prior to a scheduled hearing.

Visit our website at www.bta.ohio.gov for more information on the Ohio Board of Tax Appeals and what to expect in the appeals process.

Sincerely,
Clerk of the Ohio Board of Tax Appeals
