Ashtabula County Auditor

Ashtabula County Treasurer

This letter is sent regarding Parcel ID 29-018-00-025-00. I apparently failed to make sure that the Current Agricultural Use Validation Renewal Application was received by the Ashtabula County Auditor for 2022. Per instructions from the County Auditor's office (via phone call) I am sending the following:

1. A completed Agricultural Use Valuation Renewal Application
2. A payment for the first half real property tax for 2023. This is based on the amount I paid for the first half of 2022. This amount was \$658.59 which was paid 2/22/23.

If there are any questions or steps that I need to correct, please contact me.

Thanks

Rome Leigh
