ASHTABULA COUNTY AUDITOR
DAVID THOMAS

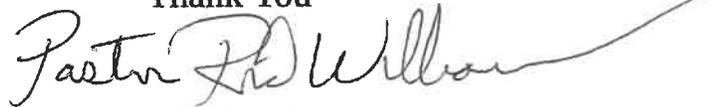

B.O.R. Case number 2023-0064

Enclosed is a copy of our upcoming hearing. I am requesting "exchange of information" documents that are going to be used in the hearing as evidence.

I am also requesting copies of like wise residential property evaluations of every 1 bedroom 1 bath home whereas the entire home is constructed from 4 rooms in total (26 x 28) feet with unfinished, non insulated, low ceiling clearance basement and a 12 x 12 mud room entrance that is appraised by Ashtabula county in excess of one hundred thousand dollars.

I need those documents asap to submit them in the upcoming hearing as evidence.

Thank You

Pastor Rick Williams
