Good afternoon,

I'm reaching out with a friendly reminder to submit a corrected DTE Form 1 to contest your property value at 1030 Tote Road. I spoke to you back in mid-February and explained the form requires a signature on the back of the form, and a value request on Line 8, column A. You must put a value that you think the property is worth as of 1-1-2023. A corrected form must be filed by the deadline of April 1st or we will not be able to fully process your complaint. I believe I sent a new form, but if you need another let me know. If you have any questions please contact me at the number listed below.

Thank you,

Tara Frable
